

negative

A word cloud visualization showing sentiment analysis results. The word 'trump' is the central, largest word in purple. Above it, negative sentiment words are clustered, including 'dark', 'chaos', 'slowly', 'fell', 'struck', 'bad', 'lost', 'hell', 'kill', 'cave', 'twisted', 'slow', 'top', 'fine', 'nice', 'soft', 'lead', 'favor', and 'cool'. Below 'trump', positive sentiment words are clustered, including 'led', 'pretty', 'ready', 'free', 'happy', 'won', 'trust', and 'love'. The words 'negative' and 'positive' are placed at the top and bottom in large black font, each within a light gray rectangular background.

struck slowly hard
bad fell lost cave
twisted chaos dark kill
slow top hell fall
fine led pretty love
nice trust ready free
soft lead happy
favor cool won
positive
